Possible Delays at Chesapeake Transfer Station Due to Inbound Scale

Construction and temporary new traffic patterns at the Chesapeake Transfer Station, located at 901 Hollowell Lane, may result in delays for customers. Thank you for your patience as we work to replace the inbound scale.

Residents are encouraged to utilize the Landstown Transfer Station, located at 1825 Concert Drive in Virginia Beach or the Suffolk Transfer Station at #1 Bob Foeller Drive in Suffolk, if they are concerned about delays in Chesapeake.
